C. S. Balasundaram Iyer, Esq., B.A.,
Muzrai Commissioner in Mysore,

The Secretary to the Government
of His Highness the Maharaja of Mysore,
Revenue Department.

Muz: 319-24

Sir,

ST 22/5

With reference to Government Order No.1851-52/M.F.239-22-2 dated 23rd December 1922 regarding the conversion of the chattram at Sibi into a rest-house and your letters No.2733/M.F.103-22-22 dated 26th April 1923 and No.2889/M.F.103-22-24 dated 26th May 1923 forwarding the memorials of one Dasi of Maddagiri, I have the honor to submit herewith copy of letter petition No.2040/21-22 dated 25th April 1925 from the Deputy Commissioner Tumkur District reporting on matters requiring further orders of Government and to state as follows:--

2. As the District Board have expressed their inability to take charge of the building and maintain it as a Rest-house and as it is not likely to fetch any thing if sold and as the retention of the building would be useful to travellers and the people congregating on the occasion of the Jatra of Sri Narasimhaswami, I am of opinion that the arrangements ordered in the Government Order referred to above may be made permanent and the chattram continued as a Rest-house.

(Vide copy of Deputy Commissioner's letter dated 14th April 1923 enclosed)

(Vide copy of Deputy Commissioner's letter dated 14-4-25 enclosed)

3. Deducting thepay of the care-taker at Rs.8/- a month and making provision for the undermentioned items of expenditure aggregating Rs.86-8-0 the balance of Rs.332-0-0 may be added on to the "chattram Savings Fund."

Nehimi charge Rs.45-0-0 (to be continued during the life-time of the recipients)		
Lighting and other sundry charges	6-0-0	
Annual maintenance etc.	10-0-0	
Contribution to Muzrai Establishment fund	25-8-0	

In the circumstances reported by the Deputy Commissioner I am of opinion that the nehimi allowance to Dasi should be continued in view of his helpless condition.

4. As regards the repairs to the building the submission of ----- estimates by the Deputy Commissioner will be awaited. The sum of --- Rs.812-6-5 said to be available at the credit of the Institution on -- 30-6-23 and the savings from the tasdik grant of 1924-25 which will -- also be added on to it may be ear-marked for meeting the cost of repairs Care will be taken to see that the amount of the estimate will not excee the savings actually available at the credit of the Institution on 1st July 1925 from which date the revised arrangements as above may be --- ordered to be brought into force.

5. The file of vernacular papers is enclosed for reference.

I have the honor to be,
Sir,
Your most obedient servant,

for Muzrai Commissioner.

Petition No.2040/21-22 dated the 25th April 1925 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.660/22-23 dated the 1st May 1923, re: the chattram converted into a rest-house at Sibi i Have the honor to state as follows.--

1. It is learnt from the Tumkur Sub Division Officer's letter No. 3076 dated 27th July 1923 that no care-taker has yet been appointed for the Rest-house. I have this day issued orders to the Sub Division Officer to employ a care-taker on Rs.8/- from the 1st proximo.

2. The Sub Division Officer opines that the vessels and other --- appurtinances of the Chattram may be retained as suggested by you in your letter No.C.660/22-23 dated the 1st May 1923 in order that they may be useful to casual visitors and other travellers. I agree with this as it is seen from the Government Order that the Chattram has been converted into a rest house only as a temporary measure.

3. As regards the repairs needed to the building, it is to be -- regretted that the estimate called for from the Sub Division officer has not yet been received in this office and the same will have to be submitted on its receipt, for which a reminder has been issued to-day.

4. As a result of the enquiry on the petition of Dasi referred to above received with your letter No.C.1559/22-23 dated 8th May 1923, it is learnt that he had been getting a Nehimi allowance of Rs.3-12-0 per month (vide Serial No.46 and Order No.5615 dated 15th June 1908 in the Proceedings Book for June 1908) from the late Chattram and - that the payment of this allowance to him was stopped from the date - the chattram was abolished viz.1st January 1923. As he and his wife are both said to be blind and as he is also said to have children and has no other source of income, I am of opinion that the Nehimi allowance should be continued to him out of the savings at the credit of the -- Chattram.

5- The Sub Division Officer also states in his letter referred to in para 2 above, that a contingency of Rs.4/- per annum is required for the maintenance of the Chattram building as a rest-house. This --- amount seems necessary for the purchase of sweeping materials, white washing the rest house etc., once a year.

6. In the above circumstances, I request that you will be so good as to move Government to pass early orders to continue/ the payment of the Nehimi allowance of Rs.3-12-0 per mensem to the Dasi and to incur an annual expenditure of Rs.4/- towards the contingent expenditure as above. There is an unsepent balance of Rs.812-6-5 at the credit of this chattram according to the accounts of the Comptroller up to the end of 1923-24.

The connected vernacular file ending with the Tumkur Sub ------ Division Officer's No.Gl.2928 dated 10th May 1923 is enclosed for kind reference and return."

Letter No. dated 14th April 1923 dated from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.660 of 22-23 dated the 4th - January 1923, regarding the chattram at Sibi I have the honor to state that action has been taken to close the feeding in it and to convert it to a rest house with a care-taker.

2. As regards its repairs the District Board have expressed their inability to maintain it and are unwilling to take it to their management. The Sub Division Officer of Tumkur states in his letter No.G1. 2452 dated the 6th instant that the building may be kept on as a rest house instead of being sold in the interest of travellers and also in consideration of the locality in which it is situated. He further states that it is only an ordinary stone mantap and is not likely to fetch any thing even if sold and that it would on the contrary, be useful during Jatra time. Under the above circumstances, I recommend that it may be repaired from the savings effected by the closure of the Annachattram as per G.O.No.1951-2/Muz.239-22-2 dated the 22nd December 1922, for which an estimate will be submitted in due course.

3. A report regarding the disposal of the vessles and other ---- appertenances of the chattram is still due from the Treasury Assistant Commissioner in charge of the Taluk and it will be duly submitted to you on receiving the information in the matter."
